CONTAIN

EVERYTHING...

ON THIS LAND, BLUE SILVER GRASS CAN BE SEEN ALMOST EVERYWHERE.

PLANTS AND ANIMALS CAN LIVE WITH IT TOGETHER AS GOOD NEIGHBOURS.

BLUE SILVER GRASS LOOKS UNREMARKABLE BUT IT'S ALL AROUND...

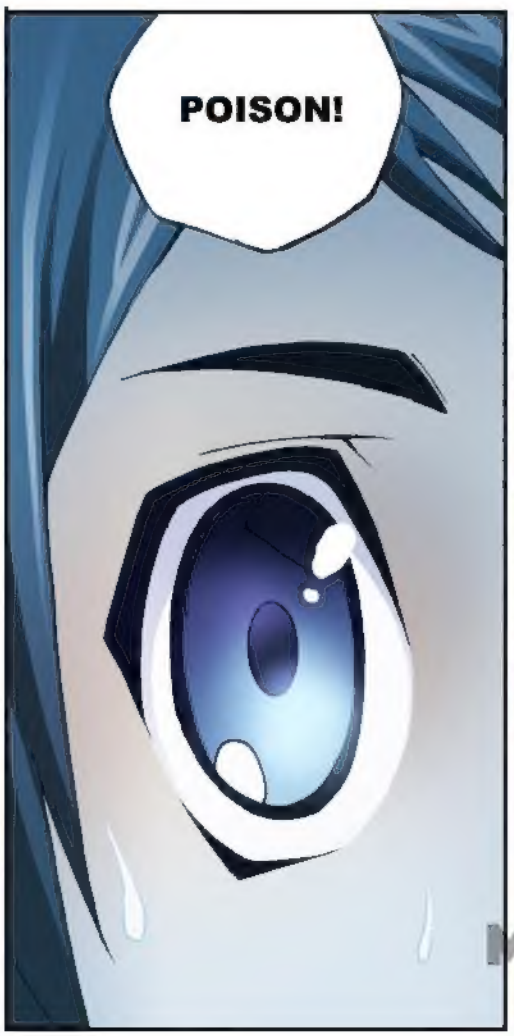
BECAUSE OF WEAKNESS, BLUE SILVER GRASS IS QUITE EASY TO BE COMPATIBLE WITH ANY TYPE OF SOUL RING.

MANGATOON

DO YOU STILL CONSIDER YOUR MARTIAL SOUL WEAK?
...

IF A NO.1 SOUL RING IS ABLE TO ENDOW BLUE SILVER GRASS WITH STRONG TENACITY AND SPECIAL ABILITY,
HOW ABOUT THAT?
WHAT KIND OF ABILITY?

FOR EXAMPLE, SOMETHING THAT PERFECTLY SUITS A PLANT...



POISON!

WHAT A BOLD ASSUMPTION...
BUT IT'S TOTALLY LOGICAL...

MANGATOON

THE REASON WHY EVERYONE CALLS ME "GRAND MASTER" IS THAT,
I HAVE AN INCOMPARABLE STRENGTH.
I AM THE BEST THEORIST IN SOUL LAND!!
IF MY BLUE SILVER GRASS WITH POISON CAN TRAP THE ENEMY...
IT WILL BE EASY FOR ME TO HIT THEM BY HIDDEN WEAPON!
TENACITY AND POISON ARE THE KEY POINTS FOR MY SELECTION!
MANGATOON

WHAT HAPPENED?
A FALSE ALARM...

LUO SAN PAO JUST REGARDED THIS SERPENT VINE AS A REAL DATURA SERPENT.

...ARE YOU SURE IT IS NOT A SERPENT?
YES, SERPENT VINE IS A WEAK PLANT SOUL MONSTER.
IT CAN DISGUISE ITSELF AS "POISONED SWORD DEMON", THE FORM OF DATURA SERPENT, TO DRIVE INVADERS OUT.
I'M DATURA SERPENT. NO ONE STEP CLOSER!

MANGATOON

THIS SERPENT VINE IS REALLY A PIECE OF WORK.
BUT IT'S JUST A LOW-LEVEL SOUL MONSTER REGARDLESS OF DETAILS.
IF A SOUL MONSTER DOESN'T REACH THE TERM OF 1,000 YEARS, ITS BODY WILL GROW BY ONE CENTIMETER EVERY YEAR.
ITS IMITATION OF DATURA SERPENT IS OVER 4 METERS SO IT IS AT LEAST A 400-YEAR SOUL MONSTER.
BUT THERE SHALL BE NO SOUL MONSTER WITH SO MANY YEARS IN THE OUTER PART OF THE FOREST.
HMPH, WHAT A SMARTY-PANTS!
SO REAL... THE FLOWER SMELLS POISONOUS...
LET'S GO, TANG SAN!
I'M NOT FEELING GOOD RIGHT NOW.
MANGATOON

!
THUNDER!!
BUM!
DAMN IT!
WHY AM I ALWAYS
UNLUCKY...
GHOST
WOLVES
MANGATOON

MASTER!
DON'T PANIC.
THESE WOLVES ARE JUST 10-YEAR SOUL MONSTERS.
THEY ARE NO MATCH FOR LUO SAN PAO.

THE FORMER BLOW HAS SCARED THEM.
SO THEY WON'T LAUNCH AN ATTACK FOR THE TIME BEING.

ONE HOUR LATER

THEY WANT TO TRAP US? YOU CUNNING ANIMALS!

MASTER, ANY LONGER DELAY WILL GET US INTO TROUBLE...

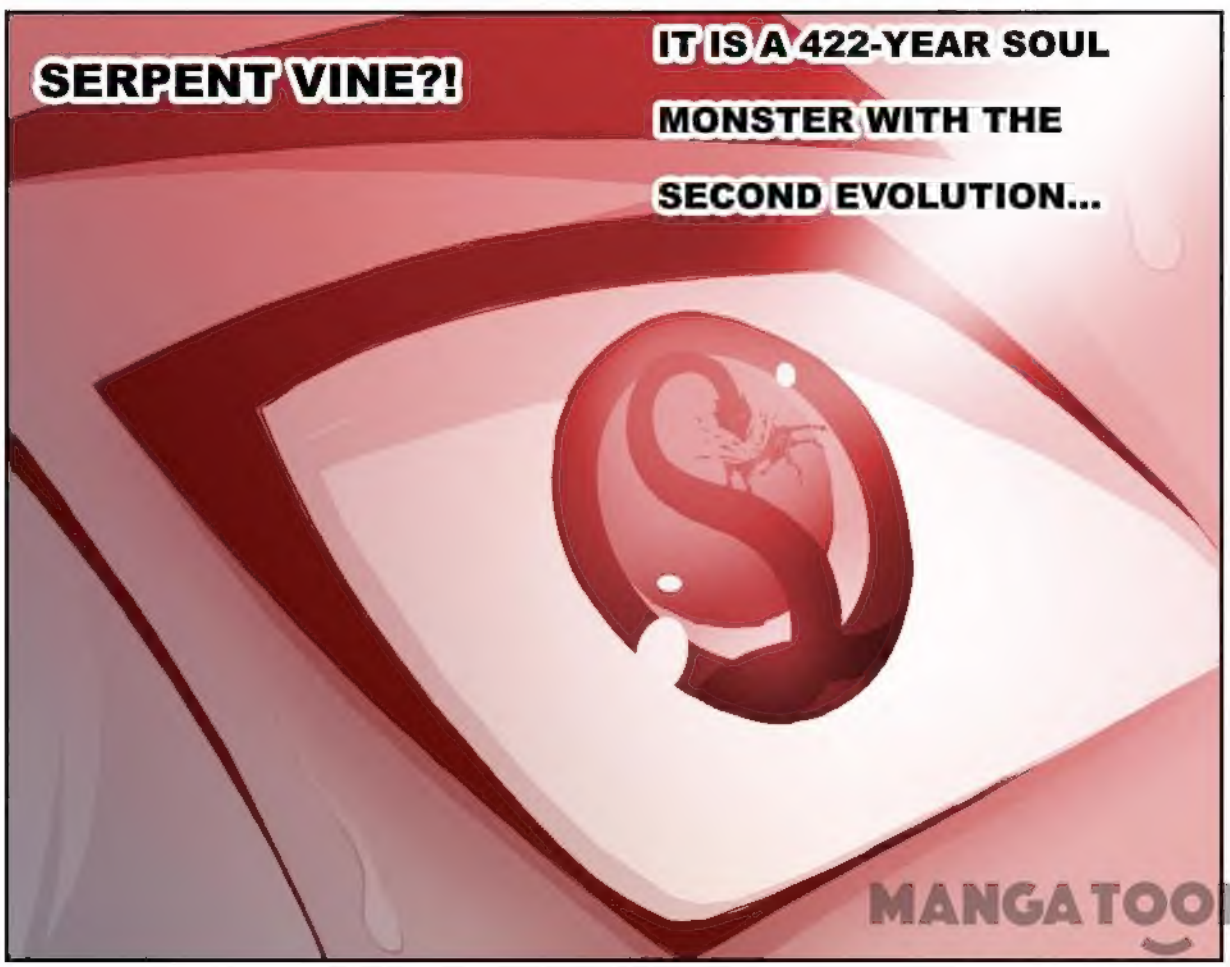
MANGATOON

SEEMS THAT WE HAVE TO DO THE LAST-DITCH FIGHT...
SOUL CURSE:
THUNDER FART!
THUNDER AND LIGHTNING...
...SO EASY?
FRIGHTENED BY LUO SAN PAO?
NO, IT COULDN'T BE...
MANGATOON

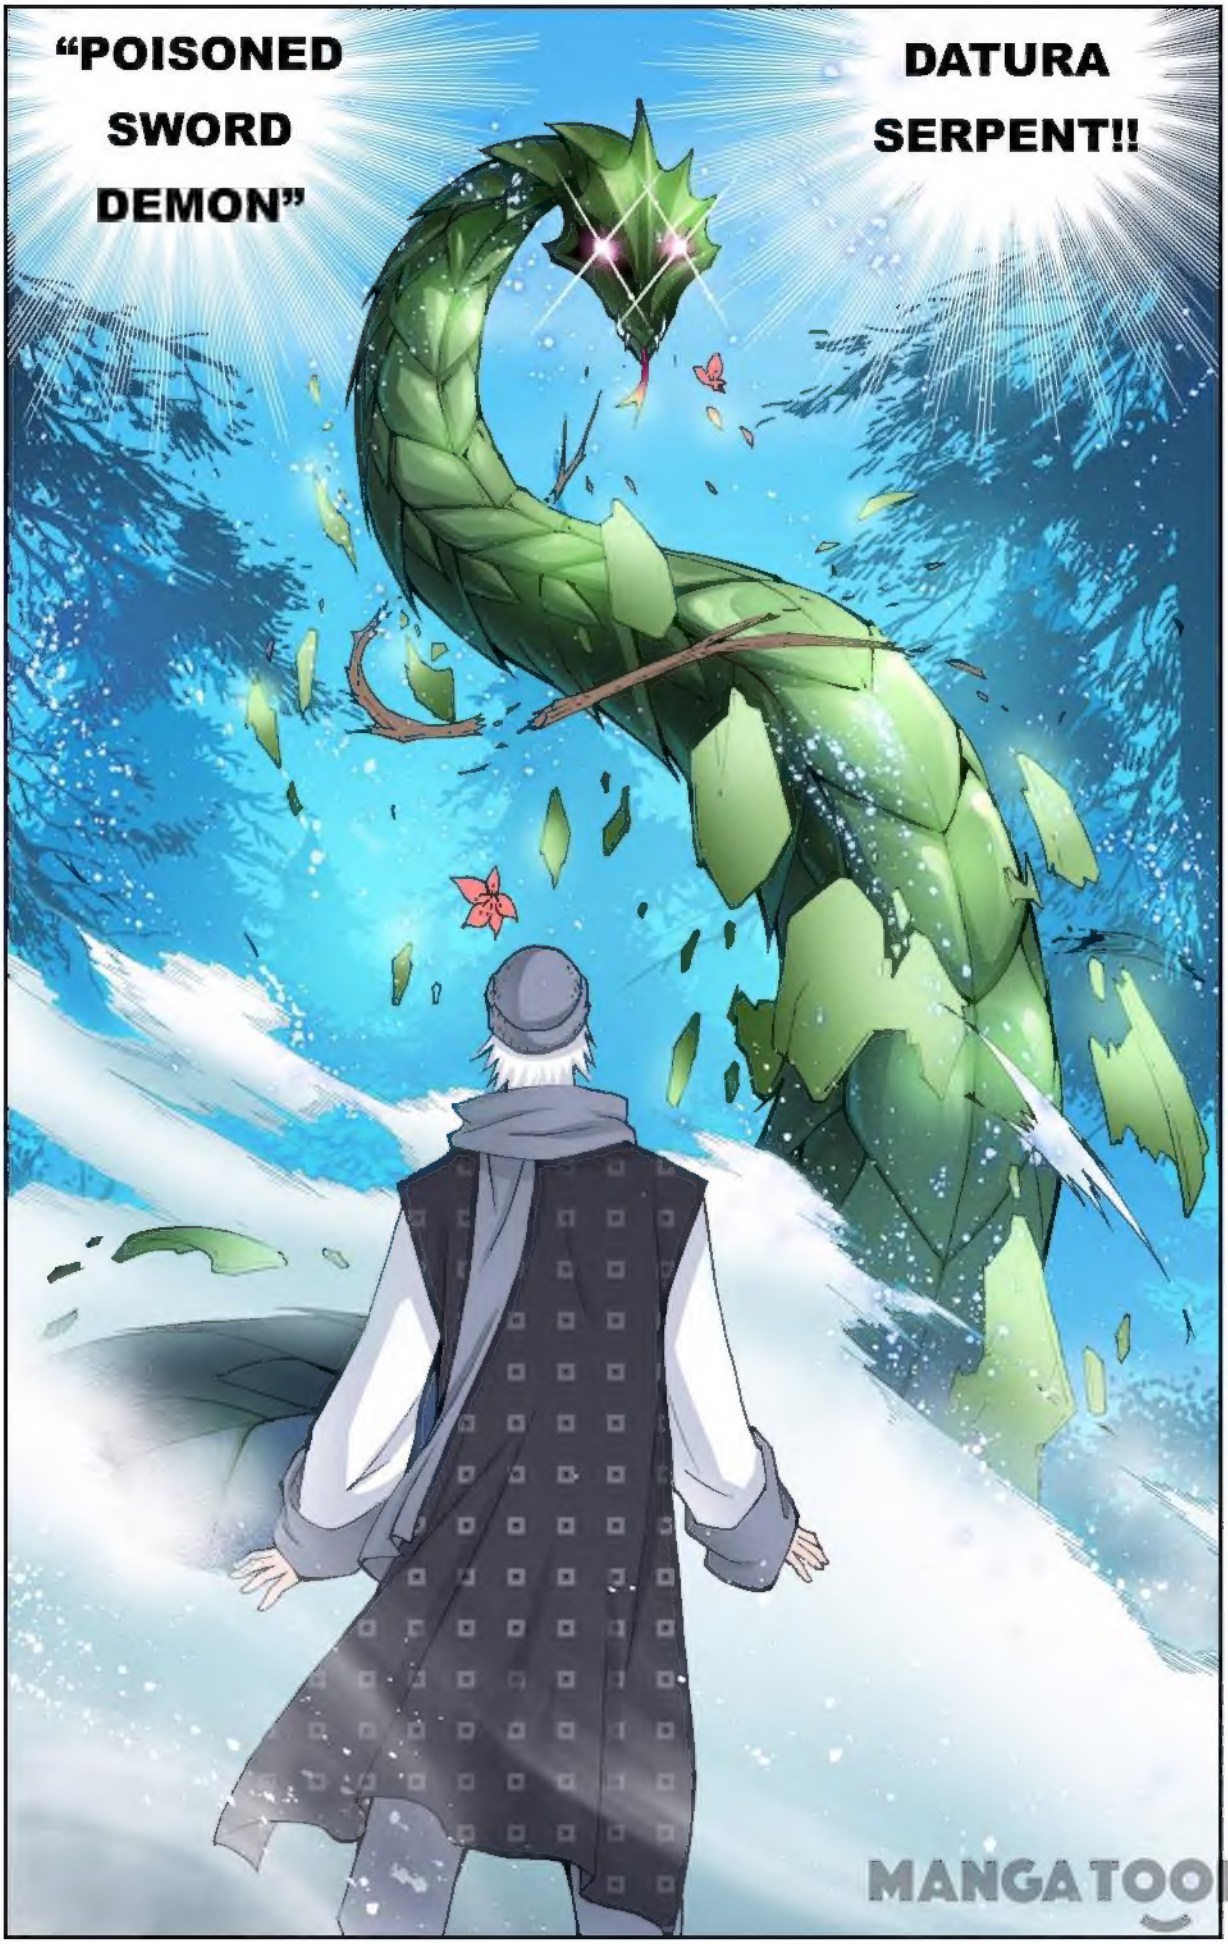
...
UH!
FLASH BACK
IT IS...
MANGATOON

DATURA SERPENT SHEDS ITS SKIN EVERY 211 YEARS.
DURING THAT PERIOD, IT IS VERY WEAK SO IT HAS TO HIDE IN A SAFE PLACE.

THE SERPENT IN FRONT OF US IS SMART ENOUGH TO GET HIDING BESIDE A SERPENT VINE, DISGUISING ITSELF AS A COUNTERFEIT.
ALL PHANTOMS ARE REAL AND ALL REALITY IS A PHANTOM.



SERPENT VINE?!
IT IS A 422-YEAR SOUL MONSTER WITH THE SECOND EVOLUTION...
MANGATOON



“POISONED SWORD DEMON”
DATURA SERPENT!!
MANGATOON
